

Mendlesham Neighbourhood Plan - Further Consultation Form

Feed back from the recent parish survey revealed that 89% of responses (353 people) preferred 'small scale and dispersed development' compared to 'one or two large developments'. This additional consultation paper seeks to further explore the responses we received about your views on any future developments within the parish.

*1. Do you live (please tick one)

- in Mendlesham village?
- in Mendlesham Green?
- elsewhere in Mendlesham parish?

*2. What is your postcode?

*3. How would you best describe "small scale and dispersed development"? (please tick one)

- No more than 50 dwellings on a single site?
- No more than 40 dwellings on a single site?
- No more than 30 dwellings on a single site?
- No more than 20 dwellings on a single site?
- No more than 10 dwellings on a single site?

*4. How important is phasing the rate of development a priority? (please tick one)

- Very important
- Not important
- Undecided

*5. What rate of development would you like to see in the Parish of Mendlesham over the next decade? (please tick one)

- More than 20 dwellings constructed each year
- Less than 20 dwellings constructed each year
- All allocated sites to be developed together
